

Recital Participation Agreement

I have read the requirements as stated on the previous pages and **agree to abide by everything** in the 2024 recital packet. I understand **if I miss dress rehearsal I will not get to participate in the show.** I understand that only one parent and the dancer can be present during dress rehearsal and that no photography or video is allowed. I know I have the option of checking my dancer out early from backstage once they are done dancing. I understand once picked up my dancer is **not permitted to enter the auditorium** without a ticket and they **cannot be checked back into the backstage area. This means they will miss finale and will not be able to participate.**

I, the parent and or guardian of the below listed child/children understand the current health crisis in our country and agree to hold Diamond Dance Works harmless of any contracted virus and or injury during participation in the dance recital and all activities relating to the dance recital, including but not limited to, performing in the dance recital, sitting in an auditorium, attending dress rehearsal, and spending time back stage or in the lobby of the dance recital. I understand the inherent risks of large group settings and the possibility of getting sick. I waive my right to legally pursue Diamond Dance Works or any of its members and or staff in any way, including the filing of any legal judgment or accusations. This right is waived for any child, and or family member, friend, or relative that attends the dance recital. I understand that recital is an OPTIONAL event and is not mandatory. If my child is participating, it is something that I opted into for my child.

I understand that only the names listed below can check in and check out my child.
