Why do you want to be a representative of Diamond Dance Works as a member of our competitive team?

Please write in the number of absences total you have had this season: Please do not write notes to us regarding how many were sick or may have been excused for competition. If we have a question regarding the number, we will look that information up in the online portal.

Number of Absences:

Audition Agreement

My dancer, ______, will be trying out for the 2024-2025 Diamond Dance Works Competition Team. I/We understand the following:

• Trying out does not guarantee the dancer a spot on the competition team. ALL dancers must be available for the tryouts including petites and tiny tots.

• No Score sheets will be given out; outside Judges are brought in for team selection purposes.

• For prior team members, past attendance & conduct (both parent & dancer) play a part in the final selection process.

• Good sportsmanship is expected from parents & dancers.

• Right, Left, and Middle splits must be correctly executed by ALL former team members, as well as new team members.

• The competition team schedule that is emailed is non-negotiable – NO EXCEPTIONS. The instructors will place them in the appropriate routines – you cannot pick and choose.

• There is a mandatory parent and athlete meeting that must be attended, see website for date.

• You must take at least one week of the ballet intensive (2 recommended) and the pre professional intensive (or makeup your ballet hours and technique hours with lessons scheduled in advance)

• If you sign the team contract handed out at the parent meeting and then decide to not participate on the team a monetary drop penalty will be in effect
